These are just our most popular packages! We can customize a project to fit any need and almost any budget. Just let us know what you need and we will go out of our way to accommodate you. We want to make you look GOOD!

All pricing subject to change. Contract will reflect actual pricing including any add-ons. Event location; distance between venues for multiple locations; additional capture services time; complex shooting, production, or editing requests may result in additional charges. All such charges will be outlined during consultation and reflected in contract. We use contracts to protect the client as well as ourselves!

Digital Fish says, "NO!" to piracy! All content used in our productions will conform to applicable copyright laws, licenses, and permissions for use according to federal law.
